A Community in Unity = Powerful Results

God can accomplish mighty works wherever He has an army of surrendered vessels. So please join this "Community in Unity" event. We'll see transformation when we unite in Jesus and believe and speak positive declarations over Jackson. Add your voice to 7 hours of non-stop passionate praise & positive declarations for our Jackson region.

EVENT OBJECTIVE: Main stage will feature local worship ministries and artists with their eyes and hearts on Jesus. While the praise never stops we will be simultaneously declaring positive proclamations over everything in Jackson County - for all 7 gates (or pillars) of our community: Families, Education, Business & Finance, Church, Government & Law, the Arts, and the Media.

Need help? Find solutions at over 50 service booths.

The special events lot at Withington Stadium will be lined with booths for faith-based and community service organizations and Christian churches featuring services and solutions for the general public. Have a need? Come, visit, and ask questions.
